

A hand-drawn illustration of a blue globe. On top of the globe, there are several icons: a red and white tower (resembling the Tokyo Tower), a satellite dish, a grey skyscraper, a green bush, a white skyscraper with a grid pattern, and a brown building. The Japanese text is written across the globe. The characters are in a stylized, bold font. The top part of the text is orange, and the middle part is green. The bottom part is orange again.
